Le repérage — CP

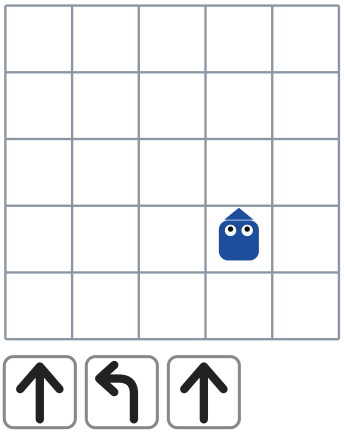

Prénom : _____ Date : _____

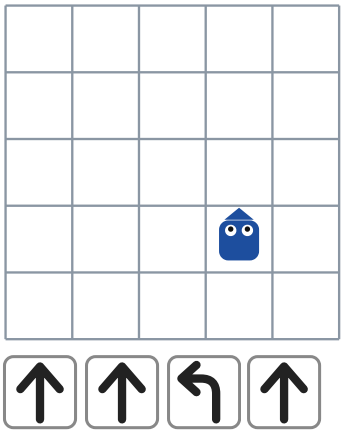

Les instructions : avancer d'une case pivoter d'un quart de tour à droite

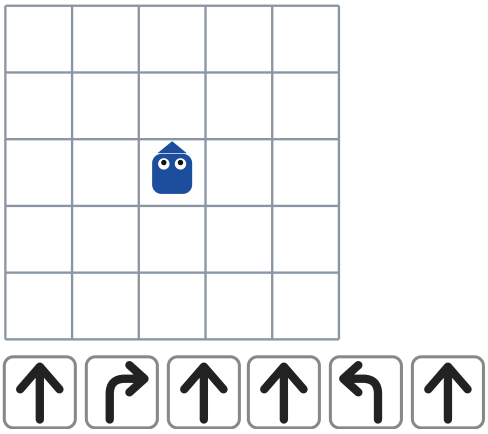

pivoter d'un quart de tour à gauche

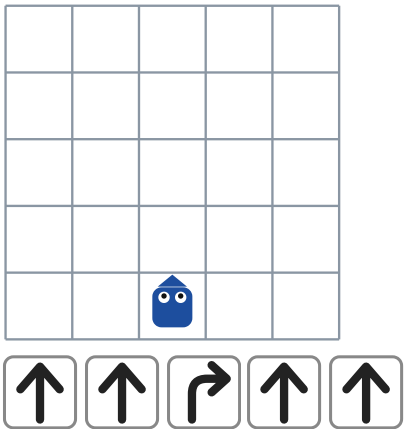

Suivre un programme

Trace le chemin du robot et colorie la case où il arrive.

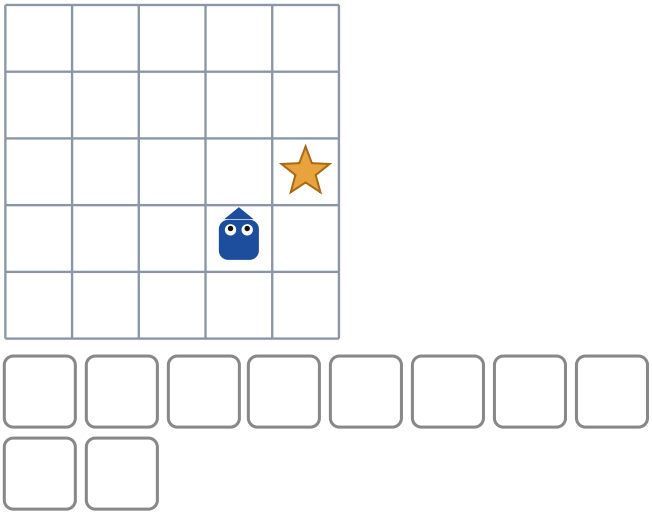

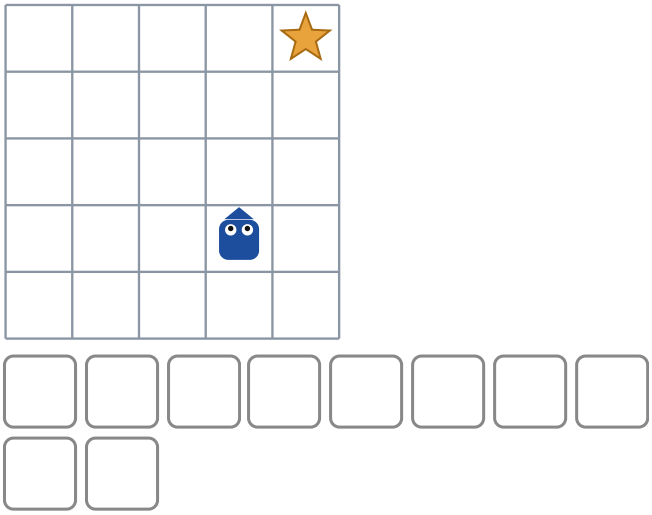

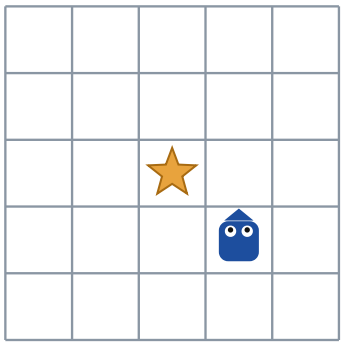

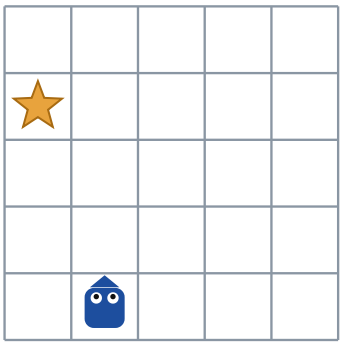

Écrire un programme

Dessine les flèches du programme qui mène le robot jusqu'à l'étoile.

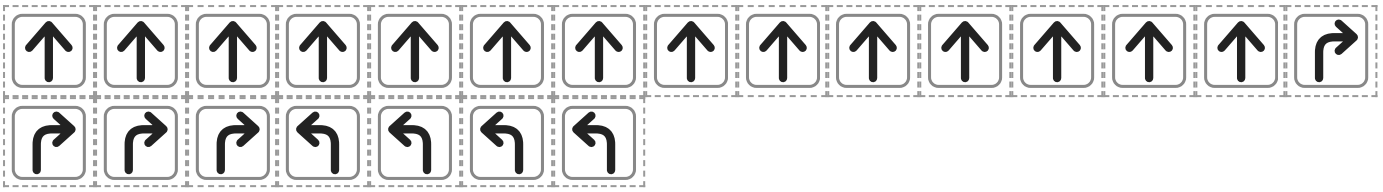

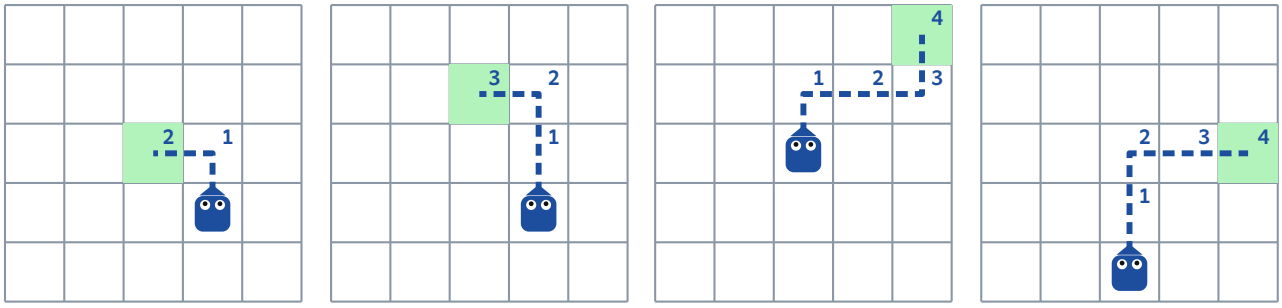

✂ Découpe les flèches et colle-les dans les cases du programme (ou dessine-les).

Corrigé

Suivre un programme :

Écrire un programme : un programme possible (il y en a d'autres)
